

Publishing Open Access

Innovation: The European Journal of
Social Science Research

You have the option to publish open access in this journal via our **Open Select** publishing program. Publishing open access means that your article will be free to access online after publication, increasing the visibility, readership and impact of your research. Articles published Open Select with Taylor & Francis typically **receive 32% more citations and over 6 times as many downloads** compared to those that are not published Open Select.

Pricing and Open Access Agreements & Memberships

To publish an article as Open Access there is an Article Publishing Charge (APC) of – currently – **2295 GBP** (plus VAT or other local taxes where applicable in your country)¹. Taylor & Francis offers a **discount for bulk payments** (more than 8 articles). For more information about the discount get in contact with us or contact openaccess@tandf.co.uk

Most importantly though, you may be able to **publish your article at no cost to yourself or with a reduced APC** if your institution or research funder has an [open access agreement](#) or an [open access membership](#) with Taylor & Francis.

Currently, there are **open access agreements** with institutions in the following countries: [Austria](#); [Canada](#); [China](#); [Czech Republic](#); [Finland](#); [Germany](#); [Netherlands](#); [Norway](#); [Spain](#); [Sweden](#); [Switzerland](#); [USA](#)

Find out which institutions have an **open access membership** here:
